

Name _____ Block _____ Date _____

Newton's 3rd Law Website

Lisa Peck

- Homework:** Research Internet to find at least 3 websites containing information.
Find additional sites for graphics & animations
important: determine the copyright policy before you use graphics
- Homework:** email the information & image websites addresses (URL) to yourself
- Homework:** Create 2 word documents **check spelling & grammar**
email word docs to your school email (will be used during class next day)
 - Introductory paragraph explaining the purpose of the project & Newton's 3rd Law
 - Paragraph (s) explaining the science behind Newton's 3rd law...including all appropriate vocabulary**important: do not plagiarize:** either paraphrase or quote information
paraphrase info & the website will be cited in related links
use quotations: then directly link website name after quote
- Homework:** create a word document with all vocabulary defined (not just ch 6 vocab)
email document to your school email (will be used during class next day)
- IN SCHOOL: Create a website with 4 webpages using Dreamweaver
Home Page: title
by (last name initial only)
navigation bar: working links to home, science, vocab, related links page
3rd Law Webpages, & Mrs. Peck's Physics page
image present with interaction pair explained (citation link present & word
introductory paragraph

Science page: this is the page that explains all the science behind Newton's 3rd law
it should include at least 4 images w/ the interaction pair explained
(functioning citation link present for each image)
all vocab should be linked to the vocab page
navigation bar (same as homepage nav. bar)

Vocabulary: define force, weight, interaction, 3rd law, action, reaction, mass, acc., et
navigation bar (same as homepage nav bar)
supportive images added to page

Related Links: at least 3 sites used
"the following sites were used to create this webpage"
Actual name of website is linked to individual page used to get info
Each site has a good description
navigation bar (same as homepage nav. bar)

Images: all copyright permissions check out
functioning citation link present for each image
all images have a description
- Email contents of website folder to Mrs. Peck as an attachment lpeck@shorecrest.org
